**Poydras Gaming Finance Corp. Announces**

**600 Gaming Machine Placement Agreement in Oklahoma**

*Expected to Generate Approximately  
\$6 Million in Annual Revenue Upon Full Deployment*

**Vancouver, BC, January 13, 2015 – POYDRAS GAMING FINANCE CORP.** (TSX-V: PYD) (“Poydras” or the “Company”) in partnership with the Integrity Companies, has entered into a long-term gaming machine placement agreement with the Tonkawa Tribe of Indians of Oklahoma. Under the terms of the agreement, Poydras and Integrity will provide 600 Class III gaming machines (such as slot machines) under a 6-year and 11-month contract, and up to \$5.5 million in funding for the renovation of the Native Lights Casino and additional development at the Tonkawa West Casino. On a fully deployed basis, the placement agreement is expected to generate approximately \$6 million in annual revenue for Poydras.

“We are delighted to announce this new long-term partnership with the Tonkawa Tribe to support the continued expansion of their successful multi-property gaming enterprise,” said Peter Macy, CEO of Poydras. “This transaction is a clear indication of the growth opportunity created by our acquisition of Integrity and will have an immediate financial impact on our combined Company.”

Under the terms of the machine placement agreement, Poydras and Integrity will take over floor space and games currently leased directly by a number of machine vendors including, but not necessarily limited to, IGT, Scientific Games (WMS and Bally), Aristocrat, Konami, and Ainsworth. It is expected that the majority of gaming machines purchased will be games already in operation with the balance comprised of new or upgraded games. Development funds will be advanced over an approximately 6-month renovation period and subject to the negotiation of acceptable purchase agreements with the Tonkawa Tribe’s existing vendors. Poydras is in active discussions with multiple capital sources, including the machine vendors, regarding the financing of the placement agreement.

Poydras management expects to close its previously announced acquisition of the Integrity Companies (see News Release dated September 29, 2014) by the end of the first quarter. On a combined basis, with this placement agreement, Poydras and Integrity will have over 2,500 machines under participation leases with 26 casinos.
